6 Story Addition

DFW Terminal D\$74.0 M

DFW Airport, TX | Austin Commercial

This two million SF, world-class international terminal at Dallas/Fort Worth International Airport is equipped with 28 gates, a three-level roadway system and an integrated 300-room Grand Hyatt Hotel complete with a rooftop swimming pool. International Terminal D contains 99 ticketing positions, a federal inspection facility capable of servicing 2,800 passengers per hour and the Skylink automated people mover station. A 100,000 SF concessions area provides an abundance of choices for dining and shopping. A pedestrian sky bridge with 1,400 linear feet of moving walkways connects Terminal D with the existing Terminal C. The new terminal is capable of handling 32,000 passengers daily or 11.7 million passengers annually. The terminal project also included an 8,100-space, 3.2 million SF parking garage.
